Rich, exotic and famed for its 'dunking delights', historically the farmers' wives and people of Market Drayton, Shropshire, enjoyed the celebrated gingerbread by dunking it into a glass of tea, coffee or Port on market day. This tradition, which is still enjoyed today, enriches the flavour of the gingerbread, bringing out the spicy notes for which the biscuit is celebrated.

# Summerdown mint

## The taste of pure English mint revived for the 21st century

At the heart of Summerdown's award-winning chocolates and teas is our traditional Black Mitcham peppermint, which is grown, harvested and distilled on our farm in the foothills of the Hampshire Downs.

This distinctive single-estate peppermint oil is used in all our products and has a soft, smooth and lingering taste. Bright, fresh and aromatic, it is very different from the harsher, blended imported peppermint of the past 60 years.

Your customers will certainly taste the difference. Stock it now!

Award winning British organic chocolate. Montezuma's started their little chocolate business, in 2000 with only a kitchen sink sized machine, huge enthusiasm, spades of naivety and most importantly, a broad ideal to bring chocolate innovation to a boring and staid British chocolate market.

**The Durum Wheat "Senatore Cappelli"** is an autumn variety selected in 1915 by the agronomist Nazareno Strampelli, this Italian grain, was dedicated to Marquis Raffaele Cappelli from Abruzzo, Senator of the Italian Kingdom and promoter of the Agrarian Reform. Defined the "most beautiful durum wheat that ever appeared", It has brownish-black awns and large glassy grains, an amber yellow translucent color; its high height (120/130 cm) makes it more competitive towards weeds with less need for weeding and for this reason suitable for the organic cultivation.

Rustichella pasta is made from wheat grown in the Abruzzo region, and water from the springs in the mountains that lie along the coastline. Simply delicious!

Whether it is breakfast in the garden or on the run, make sure it tastes great with a The Little Herb Farm preserve. Small batch made to ensure quality in every bite. Yum!

Chris and Kris, two food-obsessed Cornish boys, were fed up of the lack of high quality ketchup on the market and decided to develop a real quality ketchup that complimented all of their favourite foods instead of completely overpowering them. Armed with a large stock pot, plenty of ideas (and a shed load of tomatoes) they set about creating their very own range of ketchups.

With my husband, I run 'Sarah Grays' from our farm kitchen in Angus where I make a range of jams, marmalades, jellies and curds. I make in small batches using locally sourced ingredients and tend to get my berries from our cousins only five miles away.

Our three children are our inspiration and the reason we're dedicated to bringing you our range of delicious, hand made products. When I'm not running around after them, I can be found busy in the kitchen, keeping up with the already high demand! Each ingredient is carefully chosen to ensure the best flavour and texture.

My newest products, Blackcurrant, Gooseberry and Elderflower Jams and Mojito Marmalade seem to be already very popular!

Although I make a range of sweet jams and marmalades, I also make a chilli jam which is excellent with cheeses and handmade oatcakes from Aberfeldy Oatmeal.

Hope you enjoy . . .

Sarah Gray's

A range of preserves hand made by Sarah in small batches. All ingredients are locally sourced where possible in Angus and the berries are from their cousin's fruit farm.
