YORKSHIRE
PROVENDER™

The best of Yorkshire in every bowl

We leave no dry stone wall unturned in our search for the very best Yorkshire produce. Then, we lovingly craft our soups in small batches, using only natural ingredients, just as you would at home.

Our Roast Chicken Soup with traditional vegetables, often described as 'Sunday roast in a bowl' is finished with handfuls of fresh Yorkshire parsley, grown in Thirsk, just a stone's throw away from our kitchen.

It's how soup should be made.

Cooked fresh  on our Farm

WHAT MAKES US SPECIAL?

FRESH

We carefully select heritage varieties of vegetables grown for flavour rather than appearance (we love the ugly vegetables too!)

TRADITIONAL

Our vegetables are grown, steam cooked and packed on our family farm.

TASTE & TEXTURE

We use custom made cookers to retain the taste and texture of homemade food.

CONVENIENT

This means no chopping, peeling, mashing or washing up for you. Suitable for microwave and oven heating.

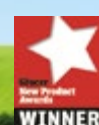

HEALTHY

Our range is free from artificial colourings and flavourings. The full range is also 100% gluten free.

AWARDS & ACCOLADES

Don't just take our word for it, we have received **167 accolades** in the last 15 years for our quality, farming, sustainability, business and innovation.

There are a lot of dips out there so why buy The Little Herb Farm?

We are a small, family business based in Scotland and for us, quality is key.

We don't mass produce; every batch is handmade to ensure quality in every bite.

We don't outsource; all our dips are made by us, we control stock to ensure we limit our food waste.

We don't use the cheapest ingredients; we use the best. We think we have the tastiest houmous around and our regular customers agree, coming back to stores again and again to buy another pot.

We don't believe in gimmicks, just good, honest food that you can enjoy time & time again.

We may be small but they say good things come in small packages! (or indeed, small pots!)

THE AUTHENTIC ITALIAN BRAND

We're a family business, founded on the Italian principles of flavourful cuisine and Mediterranean passion, and the only thing that excites us more than tasting exquisite Italian cuisine is sharing it with others. Through travel, talking and experimenting in our own kitchen, we discover truly unique foods to share with our customers. We don't just handpick our suppliers, we cook with them ourselves – ensuring all our products are imbued with the warmth, joy and passion of an authentic Italian kitchen.
