MAKING HAGGIS WITH PASSION

great taste 2013

CLONAKILTY

Clonakilty make Ireland's favourite blackpudding, which was first crafted in the 1880's in Edward Twomey's butcher shop in Clonakilty, West Cork, Ireland.

Made from a secret recipe that has been carefully handed down through the generations, it remains the same to this day and is known only to owner Colette Twomey.

To complement the award-winning blackpudding, the Twomey family created Clonakilty Whitepudding in the 1980's.

Irish farmers provide the wholesome ingredients which together give Clonakilty its unique taste, crumbly texture and distinctive flavour.

There are a lot of dips out there so why buy The Little Herb Farm?

We are a small, family business based in Scotland and for us, quality is key. We don't mass produce; every batch is handmade to ensure quality in every bite. We don't outsource; all our dips are made by us, we control stock to ensure we limit our food waste. We don't use the cheapest ingredients; we use the best. We think we have the tastiest houmous around and our regular customers agree, coming back to stores again and again to buy another pot. We don't believe in gimmicks, just good, honest food that you can enjoy time & time again. We may be small but they say good things come in small packages! (or indeed, small pots!)

Crafted in the heart of West Cork, using heaps of Irish Butter, this range of 4 flavours of cookie dough promises the taste and texture of classic, home-baked cookies; they are buttery and luxuriant and their cracked and crusted finish lends them a rustic, artisan feel and fills the domestic kitchen with the aroma of temptation. No flour, no rolling pin, no mess, - just slice and bake! From a small Irish bakery dedicated to bringing the indulgence back to Gluten-Free baking.

connage highland dairy

award winning cheeses from the scottish highlands

connage highland dairy is a traditional, family-owned, fully organic business, situated on our family farm on the shores of the Moray Firth.

All our products are fully traceable and we apply excellent quality controls from 'cow to cheese'.

We can assure the highest standard of animal welfare and care for our cows, continuing the attention to detail into our cheeses.

We make a range of handcrafted, organic, vegetarian cheeses from our own herd of 160 cows. Including traditional farmhouse cheeses, Scottish cheddars, smoked cheese and soft cheeses.

We can offer set weight vacuum packed portions or larger pieces cut to any size.
