Connage Gouda
Connage Highland Dairy,
Ardersier, Scotland

Connage Gouda recently won a Gold award at the Artisan Cheese Awards 2018. It is a smooth textured cheese with sweet grassy notes that matures into a firmer texture with more pronounced flavour. Fresh flavoured and versatile this cheese reflects the stunning environment where the cows graze on sustainably farmed land by the Moray Firth. Made by a traditional, family owned fully organic business on the family farm at Ardersier.
