Did you know that British-born fava beans, grown right here under our noses, make the most heavenly dips?

Our original, smoked, and pea and mint dips are low in food miles, high in protein and packed with vitamins. They're also naturally gluten-free and vegan.

You may be wondering where we've bean all your life.

YORKSHIRE
PROVENDER™

The best of Yorkshire in every bowl

We leave no dry stone wall unturned in our search for the very best Yorkshire produce. Then, we lovingly craft our soups in small batches, using only natural ingredients, just as you would at home.

Our Roast Chicken Soup with traditional vegetables, often described as 'Sunday roast in a bowl' is finished with handfuls of fresh Yorkshire parsley, grown in Thirsk, just a stone's throw away from our kitchen.

It's how soup should be made.
