At Mr Organic we make delicious produce that is loved by people and good for the planet! Mr Organic started with 3 friends who had a vision to create food as nature intended. They wanted to make a positive change in the way people eat whilst respecting the planet. Mr. Organic started with a delicious range of tomatoes, sauces and ketchups all produced in our own tomato factory in Pontinia, south of Rome 11 years ago. Since then our range has expanded to include pasta, biscuits, flatbreads, antipasti and many more sumptuous products! At Mr Organic our food is made with love, for the planet. Just yummy naked goodness!

Thursdays Cottage have been hand making their products in small batches for over 55 years since the business was originally based in a little cottage of the same name in Somerset. Their production area was moved to Tiptree, Essex in 2001 but little else has changed especially with the way they produce their delicious products. Their cooks carefully watch over the small batches whilst they are bubbling away so that they get the care and attention they need to be extra special, they then hand pour their Jams & Marmalades into traditional jars so that the final product contains the most whole fruit possible to ensure a more flavoursome preserve.

It's back! Bon Accord, the soft drink of Scottish childhoods – re-imagined for adulthood by the original founder's great, great granddaughter. Incredible flavours, real ingredients and natural sweeteners make it perfect for grown-up tastes everywhere. We've over 100 years of knowledge to draw on and our mission is to make the born-again Bon Accord - a healthier, naturally sweetened, flavoursome soft drink and mixer brand crafted for the tastes of this new world - as much-loved as the Bon Accord of old.

TOO SEEDY FOR A MAG LIKE THIS

The new packaging designs for Miller's are not just seedy. They're fruity, nutty and redolent of all the natural ingredients used in Miller's crackers and toasts. All four ranges have been unified, making it clear the Miller is something of a naturalist. That's why we can't show the new designs to you here.

BILLINGTON'S GINGERBREAD

Since 1817 the artisan bakers of Market Drayton, Shropshire, have been keeping a closely guarded secret: the coveted recipe of Billington's Gingerbread. With links to the ancient spice routes, Billington's Gingerbread, is still crafted today using one of the oldest gingerbread recipes in the country. With a blend of secret spices, a dash of rum and the smooth velviness of golden syrup, Billington's Gingerbread is composed into crisp gingerbread fingers that are perfect for dunking!

Thursdays Cottage have been hand making their products in small batches for over 55 years since the business was originally based in a little cottage of the same name in Somerset. Their production area was moved to Tiptree, Essex in 2001 but little else has changed especially with the way they produce their delicious products. Their cooks carefully watch over the small batches whilst they are bubbling away so that they get the care and attention they need to be extra special, they then hand pour their Jams & Marmalades into traditional jars so that the final product contains the most whole fruit possible to ensure a more flavoursome preserve.

The Island Smokery have been smoking on the island for over 10 years. Our smoking process uses only high quality wood supplied by craftsman Eoin Leonard, from Stromness based Celtic drum makers, Belgarth Bodhrans. We take all of Eoin's offcuts and unwanted wood, which reduces his waste and avoids the need for us to transport suitable wood into Orkney.
