We use custom made cookers to retain the taste and texture of homemade food.

**CONVENIENT**  
This means no chopping, peeling, mashing or washing up for you. Suitable for microwave and oven heating.

# the little herb farm

**There are a lot of dips out there so why buy The Little Herb Farm?**

We are a small, family business based in Scotland and for us, quality is key. We don't mass produce; every batch is handmade to ensure quality in every bite. We don't outsource; all our dips are made by us, we control stock to ensure we limit our food waste.

We don't use the cheapest ingredients; we use the best. We think we have the tastiest houmous around and our regular customers agree, coming back to stores again and again to buy another pot.

We don't believe in gimmicks, just good, honest food that you can enjoy time & time again. We may be small but they say good things come in small packages! (or indeed, small pots!)

*a lighter pot to hit the spot why not? it's under 200 calories after all...*

Our recipes are written and perfected by **top restaurant chefs**, then **handmade** in our kitchen in London.

The **lighter** range gives pudding lovers the chance to enjoy their favourite treat **after dinner** without all the guilt. No expense has been spared on the taste, as top puddings need top ingredients. To make these puddings **lighter**, we've used the **best fresh fruit**, or the **richest, deepest chocolate** - no exceptions, ever.

All three puds are **under 200 calories** per pot, are **vegetarian friendly**, and **gluten-free**. Additives are also banned from our kitchen.

**connage highland dairy**

### award winning cheeses from the scottish highlands

connage highland dairy is a traditional, family-owned, fully organic business, situated on our family farm on the shores of the Moray Firth.

All our products are fully traceable and we apply excellent quality controls from 'cow to cheese'.

We can assure the highest standard of animal welfare and care for our cows, continuing the attention to detail into our cheeses.

We make a range of handcrafted, organic, vegetarian cheeses from our own herd of 160 cows. Including traditional farmhouse cheeses, Scottish cheddars, smoked cheese and soft cheeses.

We can offer set weight vacuum packed portions or larger pieces cut to any size.
