Cola tastes like Cola, right? Wrong. Alba Cola is a refreshing reimagining of cola as you know it. Harnessing the best that Scotland has to offer, we've combined the freshest Scottish water from the beautiful Loch Katrine with heather extract, giving a uniquely Scottish take on the classic. Lightly carbonated, with a buzz of botanicals and natural sugars, it's a wee bit like other Colas, but not really. We hope you enjoy #OurCola.

At Hawkhead Whisky Smoked in the west of Scotland we use only aged whisky casks from Scottish distilleries in our smokery.

Scotland is renowned for its rich larder – with whisky at the heart of its global reputation. Contained in every drop of Scotch is a 500-year-old story of malting, distilling, ageing and skill. And from Viking times to the present day, foods preserved through salting and smoking have been a staple of both winter survival and royal banquets in Scotland.

By using only aged out whisky casks – each one having serviced the whisky industry for several decades – and a smoking process that has remained largely unchanged for hundreds of years, we capture the heritage and flavour of Scotland in everything we produce.
