Our smoking process uses only high quality wood supplied by craftsman Eoin Leonard, from Stromness based Celtic drum makers, Belgarth Bodhrans. We take all of Eoin's offcuts and unwanted wood, which reduces his waste and avoids the need for us to transport suitable wood into Orkney.

# BILLINGTON'S GINGERBREAD

SINCE 1817

Since 1817 the artisan bakers of Market Drayton, Shropshire, have been keeping a closely guarded secret: the coveted recipe of Billington's Gingerbread. With links to the ancient spice routes, Billington's Gingerbread, is still crafted today using one of the oldest gingerbread recipes in the country. With a blend of secret spices, a dash of rum and the smooth velviness of golden syrup, Billington's Gingerbread is composed into crisp gingerbread fingers that are perfect for dunking!

## AN ISLAND TRADITION

Our family bakery was founded by our ancestor,  
William Frederick Mackinson Brown,  
over 100 years ago.

Through hard work and dedication he created a  
business that continues to thrive today,  
four generations later.

His legacy is at the heart of everything we do  
and we're passionate about carrying on the finest  
traditions of Orcadian baking,

We're also not afraid to move with the times,  
refining William's recipes and creating new

What never changes is our commitment to quality  
and we use only the finest of ingredients,

# ODYSEA

FEEDING CONVERSATION

Odysea honey is produced in mainland Greece by artisan bee keeper Alexandros Gousiaris. Alexandros has worked closely with us since 1996 and produces our entire range of honey. He lovingly tends to his hives throughout the year, moving them seasonally to give the bees access to different native herbs and flora as well as to protect them from harsh winter weather. Thanks to this movement and care the honeys boast distinct flavours and are of an exceptionally high quality.

Our honey is cold extracted, unpasteurised and unprocessed and it's these traditional production methods that ensure the nutritional values of our exceptional tasting honeys remain.

Odysea honey naturally contains on average 29% less sugar than other honey brands\*

\*Action on Sugar at Queen Mary University of London analysed 102 honeys from UK supermarkets & found Odysea honey to have the least sugars per 100g, March 2019

Perello Gordal pitted olives are a cult favourite. Gordal olives are one of the finest Spanish olives, bright green, plump and crisp, tinned in brine with guinilla chilli, giving the olives a slight kick.

The Molise region is considered the true cradle of the traditional Southern Italian art of pasta making.

The Island Smokery have been smoking on the island for over 10 years. Our smoking process uses only high quality wood supplied by craftsman Eoin Leonard, from Stromness based Celtic drum makers, Belgarth Bodhrans. We take all of Eoin's offcuts and unwanted wood, which reduces his waste and avoids the need for us to transport suitable wood into Orkney.

**With my husband, I run 'Sarah Grays' from our farm kitchen in Angus where I make a range of jams, marmalades, jellies and curds. I make in small batches using locally sourced ingredients and tend to get my berries from our cousins only five miles away.**

Our three children are our inspiration and the reason we're dedicated to bringing you our range of delicious, hand made products. When I'm not running around after them, I can be found busy in the kitchen, keeping up with the already high demand!

Each ingredient is carefully chosen to ensure the best flavour and texture.

My newest products, Blackcurrant, Bramble and apple, Gooseberry and Elderflower Jams and Mojito Marmalade seem to be already very popular!

Although I make a range of sweet jams and marmalades, I also make a couple of what I call, cheeseboard companions... port wine jelly and spiced apple.

Hope you enjoy . . .

# Sarah Gray's

A range of preserves hand made by Sarah in small batches. All ingredients are locally sourced where possible in Angus and the berries are from their cousin's fruit farm.
